

Greetings Chapman Golfers!

We sincerely hope this e-mail finds you healthy and ready to have some fun again playing Sage Lakes Chapman League golf. We survived the last couple of years with the pandemic and hopefully this year we can get back to a more normal way of running the league.

➤ **General Information:**

Our plan is to start our chapman league *Thursday, April 21<sup>st</sup>* and run for 18 weeks. The Year-End 18 Hole Tournament will be held *Saturday, August 27<sup>th</sup>*. We do plan to have our Pot Luck/Business Meeting following the tournament at Dick & Kathie Rice's home on the river. This has always been a fun time for all and a good way to meet and socialize with our chapman couples.

The cost to play in the league is extremely low as it's not so much about the winnings as it is about having a ton of fun. It costs \$10 to join the league and \$5 each week you play. Couples do not need to play every week. Please note that 100% of this money goes back as winnings to the couples. The Pro Shop will maintain each couple's winnings (credit) that can be used during the year for merchandise, range balls, cart rentals, etc.

Dick Rice will again be our Banker and Kathie Rice will again be our Handicap Coordinator. The handling of money and scorecards will return to the way we did it pre-pandemic. Our Chapman League has a clear plastic box at the pro shop that contains: 1) Sign-Up Forms, 2) manila envelopes for money and scorecards, and 3) a few copies of our league's 2022 Rules & Regulations.

➤ **Weekly Process:**

Couples can play their weekly chapman nine holes any day Thursday through Monday by booking tee times on-line or calling the pro shop. For the first week of play, each couple will request a chapman manila envelope from the pro shop staff and place in the envelope their completed sign-up form, signed scorecard, and \$15 dollars (\$10 to join & \$5 weekly fee). Subsequent weeks will be \$5 and the signed scorecard. It is highly recommended that you find another couple to play chapman with, but you can also play with someone even if they aren't part of the league. It is suggested that each scorecard have two signatures just as a double check for accuracy. Kathie Rice will calculate weekly winners and next week couple's handicap. She will send out weekly "results" e-mails to all couples and the pro shop.

➤ **Year-End Tournament:**

Russ & Kathy Buckland and Jim & Judy Sahr will coordinate the 18 Hole Year-End Tournament. More detailed information about the tournament will be sent out later in the year.

➤ **Special Request:** If you have friends that would like to play in our chapman league; please share this information with them. The 2022 Rules and Regulations are attached to this e-mail for your information and reference as needed. There are no major changes from last year. The Sign-Up Form is also attached to this e-mail should you wish to download and fill in at home and take to the pro shop. Forms are available at the pro shop.

Respectfully yours,  
Sage Lake Chapman Officers
