MANDATORY MUSTS

1. Etiquette Seminar & Quiz

All juniors of the Idaho Falls Junior Golf Association must attend and pass a required Etiquette & Rules Clinic **each year** before they are allowed to play golf on junior day.

The purpose of the clinic is to teach & remind kids about the basic rules of the game, safety, consideration for other players, pace of play, and care of the course. The clinic is taught by our local PGA Golf Professionals and Staff. Each junior golfer will receive an Idaho Falls Junior Golf Association

Membership card upon completion of this clinic. The membership card must be carried and shown to the Junior Golf Personnel when playing on junior day and when playing the 6-hole short course at Sand Creek. (If a junior was a member last year, and still has their card, their membership cards will simply be re-activated after the seminar.

Etiquette Clinics will **ONLY** be held on the following days. Juniors do not need to bring clubs to the clinic, just themselves. The juniors need to meet at the clubhouse of the appropriate golf course 10 minutes before the start of the clinic and should plan on spending approximately one hour.

May 24th at Pinecrest Golf Course 8:00am OR 9:00am OR 10:00am

June 2nd at Pinecrest Golf Course 9:00 am ONLY

June 9th at Sand Creek Golf Course 9:00 am ONLY

June 16th at Sage Lakes Golf Course 9:00 am ONLY

2. Everyone must have their own set of clubs.

To help with the pace of play, we do require every junior who participates in the program to have their own golf bag and clubs. For those without clubs, the local course golf shops do offer clubs for sale at reasonable prices. We also offer sets which can be rented for the entire season for \$40. Please contact any of the local golf shops for more information.

3. Dress Code

Proper golf attire (neat and clean) is required. Shirts (t-shirts, etc.) & shoes (tennis shoes, golf shoes, etc.) must be always worn.

4. Kids under age 14 must have Adult Supervision

- If your child is under the age of 14, they will not be allowed to play on Junior Day unless accompanied by someone responsible at least 14 years or older.
- The purpose of this rule is to eliminate problems we've incurred on junior day in the past (acts of vandalism on the course) and to help keep the kids to move along at a reasonable pace, etc.
